STATEMENT OF GRANDFATHERED STATUS

The Board of Trustees believes that the Plan is a “grandfathered health plan” under the Affordable Care Act (the “ACA”), which means that our Plan existed when the health care reform law was signed on March 23, 2010, and that we can preserve certain basic health coverage that was already in effect when the law was passed. As with all grandfathered health plans, the Plan must still comply with certain consumer protections in the Affordable Care Act (for example, the elimination of the Plan’s lifetime maximums). However, because this Plan is “grandfathered” and not required to adopt other changes required by the Affordable Care Act, this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans. Contact the Fund Office if you have questions. You may also contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) at 866-444-3272 or www.dol.gov/ebsa/healthreform. The website includes a chart summarizing the protections that do and do not apply to grandfathered health plans.
